SABRAGE AT BEST WESTERN WHITWORTH HALL HOTEL

An exclusive service in the Northeast

Sabrage is the opening of champagne with a sabre. It is an old art and tradition which was started by French Cavalry Officers in the army of Napoleon.

The secret behind this is to hit the champagne bottles annulus with the sabre at the right angle and with the right degree of force in order to send the cork flying spectacularly through the air.

Best Western Whitworth Hall Hotel is the only hotel in the Northeast to offer this service. Enhance your Wedding with this unusual tradition.

£50 Including Champagne and Certification.

Retain the Cork as an unusual keepsake of your Special Day.
